

ALL-STARS TO PLAY JULY 30—The Hamlin Junior Teenage League All-Stars will play their first game of the play-offs in Sweetwater at 5 p.m. Wednesday, July 30. The tournament will be July 30-Aug. 2 in Sweetwater. Teams will be from Sweetwater, Colorado City, Snyder, Hamlin, Haskell and Jayton. The Hamlin team, coached by Andy Brown and Ed Wheat, are from left, front row, Bo Irvine, Mike Hymer, Lester Stephens, Drew Tomlinson and Eddie Ribera; standing, Lynn Davis, Vance Lakey, Wayland Collins, Benny Guterrez, Lester Stewart, Jackie Cork, Mario Quintinella, Wayne Wheat and Gilbert Guerra.

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

A big congratulations is in order to members of the Hamlin FFA Chapter and their advisors Milburn Wink and Gary Finley for the honors they received at the state convention in Houston.

The chapter received the Governor's Citation and also received a special award and a check for \$500 from the Electric Cooperatives of Texas for their work at the Hamlin Child Day Care Center.

The local chapter has been one of the mainstays in developing the Day Care Center and has devoted a great deal of time and talent to this project since it was first started.

Congratulations are also in order to the Hamlin Independent School District Trustees and administration for being able to hold the local tax rate at the same level as last year in spite of the blow dealt to the district by this last session of the Legislature.

The Legislature made its typical last minute mess of the school finance bill and this coupled with the Governor's "no-tax increase" pledge put most of the schools in the state in a bigger mess than they were before.

Because of the teacher pay raises and other big spending provisions of the new law, it will cost the local school districts more money to operate this coming year but the state did not increase their share of the needed funds. The Governor and the Legislature were successful in avoiding an increase in state taxes but most of the school districts were not so lucky. The burden is likely to get worse in the years ahead.

The biggest need in any school finance measure by the state is a fair method of determining each district's fair share. The Legislature talked about this a lot but did not do anything to solve the problem. You still hear a lot of talk about fair market value and supposedly the state funds are being disbursed on this basis but no one seems to know how each district's values were determined except possibly by guess.

One of the hottest pieces of merchandise on the market today is the Citizen's Band Radio. . . or "two way" in trucker's lingo. This small gadget has swiftly become the most popular accessory in the trucking industry.

To date, more than a million CB licenses have been granted by the

County Cotton Queen Contest Committee Seeks Contestants

Mrs. John D. Ferguson Jr. has been named by the Jones County Fair Association to serve on the Cotton Queen Contest committee for 1975. It is her third year to serve in this capacity.

The Jones County Fair will be held in Anson City Park Aug. 14, 15 and 16, with the judging of the Cotton Queen Contest taking place at 8 p.m. Aug. 15.

Invitations to enter a candidate, along with an entry blank explaining contest rules, have been sent to all local organizations who have an interest in cotton. Any organization or group who would like to sponsor a young lady and who did not receive an entry blank may call Mrs. Ferguson and she will be glad to supply one. Mrs. Ferguson said that there are more organizations willing to sponsor someone than there are contestants and if any girl would like to enter and does not have a sponsor, she can easily find one for her.

The contest is open to all girls who will be in their

junior or senior year or who are recent high school graduates. The girls attend an informal party early in the week and a luncheon is given in their honor on the day of the parade. They will ride in the parade Thursday, Aug. 14 and usually appear on one or two TV interview shows from Abilene.

During the judging on Friday night they will wear a cotton sports outfit (not a bathing suit) and later change into a cotton evening dress. At this time they are asked a question about cotton.

All questions are taken from a booklet that they have been previously given to study concerning facts about

cotton. The girls are judged on poise, the intelligence of their answers and how they look in the outfits they have chosen.

Melissa Madden is the reigning Jones County Cotton Queen. The 1974 winner, she will take part in all this year's activities and will be particularly helpful in answering any questions that this year's contestants may have.

Mrs. Lynn Gillespie of Stamford is chairman and Mrs. Herman A. Propst of Anson is also a member of the committee.

Edwin Wheat Inducted Into Order of Arrow

Edwin Wheat, son of Mr. and Mrs. Ed Wheat, was recently inducted into the Order of the Arrow, a national Honor Camper's Society among Boy Scout Campers.

He was nominated by his fellow scouts in May of this year for the honor. Edwin was tapped out as a candidate during the week's stay at Camp Tonkawa near Buffalo Gap.

To receive this honor, he passed his Ordeal and was inducted as an Ordeal member into the Order of the Arrow. Edwin is the first Scout to obtain this honor from Hamlin since 1969.

Girls LL All-Stars Play Ballinger Here

The Hamlin All-Stars Little League Softball team will meet Ballinger here Friday evening at 7:30 at the Hamlin Little League ball park.

The concession booth will be open. Sandwiches, drinks and candy will be sold.

Midwest Electric Sets Annual Meet

Midwest Electric Cooperative will host its annual meeting in the Snyder County Coliseum July 31.

Registration will begin at 6 p.m. and the barbecue will begin at 7 p.m. Thursday.

State Representative Mike Ezell of Snyder will be the guest speaker.

There will be prize drawings and entertainment will be provided by the Mc-Millian Trio.

All-Stars, Dads To Play Saturday

The Hamlin Junior League All Stars will play their fathers Saturday night at 7:30 at the City Ball Park.

Admission will be 25 cents for students and 50 cents for adults.

Benefits will go to pay the light bill.

Revival Services

A revival at the Sylvester Community Tabernacle will be led by Dwain Hobbs of Cleburne, non-denominational pastor-evangelist.

Services will start Monday, July 28, at 8 o'clock nightly. The tabernacle in Sylvester is located one block south and one block west of caution light.

The project is expected to cost the city about \$10,000.

Melvin Scott, Delton Jackson and L. J. Lee were named by the council to serve on the newly created Building Standards Commission for two year terms or until their successors are named.

Under terms of the ordinance passed recently by the council, the Commission will serve as a hearing board for the purpose of condemnation of dangerous buildings or structures within the city under terms of the ordinance. Serving with the three members as ex officio non-voting members will be the city fire marshal, the city building inspector and the city health officer.

The ex officio members of the commission will inspect all buildings or structures reported to be or believed to be dangerous and to present a report of such inspection to the Commission.

After receiving a report from this inspection the Commission will notify the proper party of the intention of the commission to hold a hearing within 10 days following the citation.

If the Commission finds the property to be dangerous it will issue orders for the building or structure to be repaired or torn down. The property owner has the right to appeal the decision of the

Commission to the City Council.

If the property owner fails to abide by the decision of the Commission in repairing or tearing down of the structure, the city will demolish the building and attach a lien to the property. Failure to comply with the Commission's decision on the demolition or repair of the structure can subject the property owner to a fine up to \$200.

The council also approved a two-year grassland lease on the city airport with Mac Reid. Reid will pay the city a lease of \$150 and agrees to keep the grass mowed around the airport property and maintain the runway lights.

RIVER MISSION PROJECT—

Mexican Boy Gets New Leg Through Efforts of Former Pastor

A River Mission project by some 56 members of the Lamesa Baptist Association has led to a new life—and a new leg, for an 11-year-old Mexican boy, through the interest of Rev. and Mrs. Buster Grigg, formerly of Hamlin.

The beginning of the "project" came about when Luis Perez, from a family of nine brothers and sisters, attended a church service by the River Mission group at Esparanza and sat down next to Rev. Grigg and his wife, now of the Crestview Baptist Church of Lamesa.

Luis, who had lost his leg when run over by a train a year ago near Esparanza, across the river from Ft. Hancock, lived close by the building and he was among hundreds of children who attended the service.

When he sat down at worship services and grinned up into their faces, the Griggs fell in love with the youngster. The Griggs were instrumental in getting the

project started sponsored by Crestview Baptist Church. Through its sponsorship, the boy will get a leg and the church will take on the obligation of having the leg changed and properly fitted until maturity.

The Rev. Grigg returned to Esparanza to get Luis and bring him to Lamesa. He was accompanied by the Rev. Basilio Esquivel of Big Spring who served as an interpreter. He is being fitted for an artificial limb by the Lubbock Artificial Limb Co. and Dr. Wolcott of the Texas Tech School of Medicine will be treating him in therapy.

The Griggs have a medical pass to keep young Luis until Nov. 15. He is residing with the Griggs, their two children, Theron, 11, and Cindy, 14, and a 14-year-old Mexican-American boy from Tulia who will serve as an interpreter and helper. The Tulia youth, Julian Vigil Jr.,

is the son of the Mexican Baptist Church pastor of Tulia, who is with the River Mission group on the River Mission effort in Esparanza.

Luis has no father at home to help support the family. He, reportedly, deserted them some time ago. An older brother provides the means of support for the family.

A fund has been started by members of the Crestview church to defray expenses. The fund will be a sustaining one and will provide the necessary funds for the purpose of getting Luis' leg changed as he grows older.

Date Announced For Annual HHS Homecoming

The Hamlin Ex-Students Association officers met Monday afternoon at the Sweetwater Savings and Loan Building.

C. L. White, president, presided. He announced that the date for the Homecoming football game has been set for Nov. 7. It will be the Stamford-Hamlin game. The parade, business meeting, program and lunch will follow on Saturday, Nov. 8.

The ex-student officers will meet again Aug. 4 at 5:30 at the Sweetwater Savings Building to make further Homecoming plans. Officers are asked to bring suggestions for a Bicentennial theme for this year's homecoming.

Officers present for the Monday meeting were Buford Bigham, first vice president; Mrs. Parker Kelley, reporter; Mrs. Robert Fowler, Mrs. Bill Smith, Mrs. W. T. Johnson, Mrs. Winnie Day, Mrs. Cliff Reynolds Sr. and Laura Tucker, secretaries.

Football Players Need Physicals

Athletic Director David Bonds reminds all high school boys planning to come out for football this fall that they must have their physicals before the start of two-a-day workouts on Monday, Aug. 11.

The forms for the physicals may be picked up at the high school office. He said that no day will be set aside this year for group physicals and that each boy should contact his own family doctor for the physical.

Shoes and socks will be issued to each boy Wednesday, Aug. 6, and two-a-day workouts will start the following Monday morning.

3-Inch Rainfall Recorded Here

July rainfall was boosted by three inches with that amount falling in a 24-hour period after 5 p.m. Saturday until 5 p.m., Sunday when the reading was taken by Bill Rountree.

Other amounts this month are: 25 on July 3; a trace, July 10; .08, July 12 and .02 July 17. Total for the month is 3.35.

Band School

Summer Band School for high school band students has been set Aug. 11 at 6 p.m. by Director Tim Jones.

The band students will assemble in the band hall. Marching will be practiced after rehearsals.

Oil, Gas Production In Jones County Shows Increase Over 1973

The production of crude oil and natural gas in 1974 continued to have a significant impact on the economy of Jones County, with the estimated value of the county's production, royalty payments, and state severance taxes reaching new highs.

Jones was one of 197 counties—an increase of four from 1973—which produced oil and gas valued in excess of

\$100,000 in a year which saw the total value of state production jump from just over \$6.7 billion to almost \$11.4 billion.

The county ranked 122nd in the state in the total value of petroleum produced—\$14 million—with \$13.8 million of that coming from the sale of 2 million barrels of crude oil; \$160,000 from the sale of 549,000 MCF of natural gas.

This study by the Texas Mid-Continent Oil & Gas

Association shows also that the county's petroleum production last year resulted in the payment of \$1.8 million to royalty owners.

"These figures, whether considered statewide or individually in almost 80 percent of Texas' 254 counties, emphasize the importance of a healthy petroleum industry in the nation's No. 1 energy state," said Sherman Hunt, a Dallas independent oil man who is

president of Texas Mid-Continent.

"In the face of declining production in Texas, it is significant that this increased return to royalty owners and producers came from crude oil and natural gas which is free from restrictive federal price controls. But there are at this time proposals in Congress which would place all of Texas' petroleum production under federal price controls, with

predictable disastrous consequences for the industry, as well as the whole economy of the state," Hunt said.

The survey also shows that the State of Texas received \$648,994 in production taxes from county wells, with \$637,018 coming from crude oil output and \$11,976 from natural gas production.

Oil and gas developers and producers spent an estimated

\$1.7 million drilling 70 wells in the county last year, with 62.2 percent of that figure lost in 52 dry holes. The total drilling yielded 18 oil wells. The exploratory effort in the county included the drilling of 41 wildcat wells seeking new oil and gas fields.

According to the Texas Employment Commission, 254 oil and gas industry employees worked in the county in 1974 and shared a payroll totalling \$2.1 million.

Couple Attend Son's Wedding In El Dorado

Mr. and Mrs. O. E. Brandon attended the wedding of their son Robert and Vicki Jo Clanton, daughter of Mr. and Mrs. Curt A. Clanton of El Dorado, Kan. The wedding was held on the evening of July 14 in the First Methodist Church of El Dorado.

Also attending the wedding were Mike Brandon of Abilene, who served as best man for his brother; and the bridegroom's sister and family, Mr. and Mrs. Sam Thomas and son Brandon of Abilene.

The couple will live in Stinnett, where he will coach and teach in the school system there.

Beta Theta Host Social

Beta Theta Chapter of Beta Sigma Phi hosted a summer social for members and their families Friday evening at City Park.

The group went swimming at the Hamlin Foundation Pool before the picnic supper was spread.

WASTE PAPER can be recycled for money for the Day Care Center. Save your waste paper and take it to BCD trailer on Southeast Avenue A or call 576-3501 or 576-3566 for Wednesday pickup.

NOTICE

EFFECTIVE AT ONCE

NO REPAIR WORK WILL BE ACCEPTED UNTIL FURTHER NOTICE. EXCEPTION: EMERGENCY EYE GLASS REPAIRS

REASON

Due to very heavy day to day minor repairs, some major repairs have been waiting as long as six months. This is unfair to those customers and unacceptable to us. Therefore, we will accept no more repair work until some of this backlog is taken care of. We anticipate that about 30 days will see our repair department in much better shape, provided we adhere strictly to this temporary expediency. Trusting you to understand our firm "NO." Thank You.

GENE AND JOYCE KNABEL

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Four inches of rain received Saturday night and Sunday surely will put farmers to work with the plow. Many were hoeing the big weeds that escaped the weed killer.

Graveside services were held at McCaulley Cemetery last Wednesday for Ruth Hunter. When I came to McCaulley better than a quarter of a century ago the Hunters had one of the finest orchards in the community and Ruth was always there with a smile to assist the gathering of apples. Those who were not fortunate enough to know her will not share in the "apples of gold" she distributed to society.

Mrs. Beatrice Potter has moved a new trailer house in front of the old Hemphill home where she formerly lived.

Mr. and Mrs. Pratt Cox have returned from a vacation trip to various states to the west, New Mexico, Nevada and Washington. They report a wonderful time.

Mr. and Mrs. Larry Smart of Ranger spent the weekend with Mr. and Mrs. James Smart and Mr. and Mrs. Rickey Jeffrey.

Mr. and Mrs. Jackie Jeffrey are remodeling the house on a farm they recently purchased—the McFratter

Estate—about a mile south of McCaulley.

Max Kemp left for Valdosta, Ga. to visit Mr. and Mrs. Jim Kincaid and Jennifer.

Ronald, Truman and Sammy Holcomb stopped by for a visit with me yesterday. They had been attending the Holcomb reunion at Roby. Sammy now lives in Waco, Ronald in Midland and Truman somewhere in California near Pasadena. I get great pleasure from these visits from former students who attended my classes.

Just received word that Martin Decker had slipped quietly away into eternity. Mr. Decker is another one of the great ones who had touched many lives in this community.

School Supply Lists Given For Lower Grades

Principal Larry Butler has released the list of supplies that will be needed by students in kindergarten through fifth grade when school opens Aug. 18.

No supplies will be needed by pre-kindergarten pupils, he said.

Others will need supplies as follows:

KINDERGARTEN: 1 box primary colors (Crayolas); 1 bottle Elmer's Glue 1 1/4 oz.; 1 Nifty Manuscript tablet No. 2; 1 cigar or school box; 1 primary pencil; 1 box Kleenex - 150 count; 1 scissors, blunt; \$3.50 supply and party money; 1 towel with child's name on it.

FIRST GRADE: 1 pencil, big, first grade size; Crayons, regular size - 8 primary colors; Glue, LePages - flip-top (invisible); Scissors, sharp pointed; Construction paper, tablet type; 1 cigar or school box; 1 pencil tablet, Big Chief; 1 box Kleenex - 150 count; \$3.50 supply and party money; (book satchels are not necessary).

SECOND GRADE: Construction paper; 2 - No. 2 pencils; 1 school or cigar box; 1 Big Chief tablet; 1 box

Henson Family Reunion Held At Brownwood

The family of the late Mr. and Mrs. W. L. Henson, who formerly lived in the Sylvester Community, met for their annual reunion at Lake Brownwood over the weekend.

Relatives came from all points of Texas. Included were those from Houston, Reagan, Tyler, Llano, DeLeon, Abilene, Sylvester, Big Spring, Odessa, Georgetown, Slaton, Brownwood and San Antonio.

Bridge Winners

First place winners in Tuesday evening competition of the Hamlin Duplicate Bridge Club were Gordon Craig and Bobby Graham, both of Abilene.

Mrs. G. W. Comegys and Mrs. Preston Morrow of Rotan took second place; and third place went to Mr. and Mrs. Barry Moore.

FAMILY LIFE EDUCATION—

Bedwetting Termed 'Not So Serious' Problem

Bedwetting usually isn't as serious as some parents think, Nedy Wilburn, County Extension Agent contends.

The agent termed bedwetting "simply inconvenient—unless the family puts undue pressure on the child by making him view it as a problem.

"Actually, it's just one part of toilet training and a natural step in a child's development.

"However, it requires more parental help than other developmental processes—and lots of patience and understanding from the entire family."

Most parents just expect too much too soon, Mrs. Wilburn said.

"They forget that children aren't little adults. Parents should expect only what children can accomplish."

In general, daytime bladder control comes first—followed by control at night. For most children, this happens by age three, she noted.

"We view bedwetting as a slight problem if a child doesn't accomplish this training by age three. Even so, most children outgrow bedwetting by school age."

Physicians can diagnose and treat organically caused bedwetting. In such cases—although not very numerous—family understanding is a must, the agent continued.

"When there's no organic reason for bedwetting, a physician can suggest training methods which usually meet success. However, for these to succeed, parents must be willing to work with the child rather than nag at him.

"In addition, they can de-emphasize, or at least help the child cope with, any emotional factors accompanying bedwetting."

Giving credit when credit's

due is one of the best things parents can do, Mrs. Wilburn pointed out.

"A child likes to be praised as his efforts result in small triumphs.

"As with any other effort, this shows he's making progress and helps him continue toward eventual success."

She stressed the parental and family role in reassuring and supporting the child in his efforts.

"Of course, the opposite also can happen. Criticism or punishment can undo any accomplishments a child has made. Pressuring him for immediate or consistent dryness may only delay the process.

Young Adult Class Meets Monday Night

Ladies of the Young Adult Class of the First Baptist Church met Monday night at 7:30 in the home of Mrs. Robert Moore. Mrs. Ronnie Hill presided. Mrs. Moore gave the devotional and prayer.

The group planned a swimming party for Aug. 8.

Those attending were Mmes. Sammy Ferguson, Robert Moore, Davis Weaver, Bobby Stubblefield, Larry Butler, O. H. Weaver, Andy Brown, Pat Willoughby, Howard Jones, Ronnie Hill and Gary Finley.

Mr. and Mrs. Steven A. Carriker are parents of a boy, Jacob Stevenson, 7 lbs. 1 1/2 oz., born July 19 at 3:02 a.m.

Maternal grandparents are Mr. and Mrs. J. M. Patterson Jr. of Austin. Paternal grandparents are Mr. and Mrs. Max D. Carriker of Roby.

It's A Girl

Mr. and Mrs. David Drummond of Stinnett are parents of a girl, Kimberly Ann, 7 lbs. 13 oz., born July 1 in Borger Hospital. They are parents of another daughter, Sandi, age 2.

Maternal grandparents are Mr. and Mrs. Vernon Cox of Socorro, N.M.; paternal grandparents are Mr. and Mrs. G. W. Drummond of Hamlin.

New Orleans	\$14.49
LONE STAR GAS SYSTEM	\$14.41
Indianapolis	\$14.14

In fact, the average rate in cities on the Lone Star Gas Company system in Texas ranks among the lowest general service gas rates in the country for residential and commercial customers.

These rates are based on a recent comparison by Lone Star Gas. The rate you see listed for the Lone Star Gas system is based on the average of all general service rates in the 410 incorporated cities and towns we serve in Texas, and are based on 10-thousand cubic feet of natural gas used by residential customers on June 1, 1975.

Your town may have a general service rate above or below the average rate listed above. Rates differ in all the towns we serve, because each town has a unique gas distribution system and has different revenue requirements.

We know your gas bills have been rising steadily in the past year or two, and they'll continue to rise. The average price Lone Star has had to pay for gas supplies has risen more than 250 per cent during the past three years, and some of this increase has been passed on to our customers.

Lone Star has been consistently able to supply our customers with natural gas. Other parts of the country are having severe problems in obtaining adequate supplies of this premium fuel, and we're working hard to prevent those problems here in our area.

 **Lone Star Gas**
The clean energy company

FROM THE FILES . . .

FIFTY YEARS AGO

(July 17, 1925)

Messrs. C. H. New and J. M. Bates, of Anson and Winters, are building a skating rink just east of the Hamlin Inn. It will be 40 x 90 feet and they hope to have this place of amusement running by Saturday, however the carpenters will have to make record time if they get the structure finished.

Parents desiring to have their children transferred from one school district to another must make this request known to the County Superintendent before Aug. 1. Anyone desiring to move to Hamlin before the beginning of the next school session should have his children transferred before Aug. 1. The State and County School money due each child should go to the district where the child attends school.

The Herald is requested to announce that there will be no Sunday School at the Baptist Church this Sunday, owing to the fact that the Lueders Encampment will be in progress and many will want to attend those meetings. There will be no Men's Bible Class at the Opera House this Sunday, either.

W. R. Lence, assistant to the president, J. J. Lane, general traffic manager and A. J. Cleary, superintendent of the Orient Railway, have completed a tour of the Texas division last week inspecting cotton handling facilities. An extensive study is being made of the cotton situation this year in an attempt to improve cotton handling methods. A meeting of the local agents on the Texas division has been called for Aug. 22, to consider cotton handling in all its phases. The object of the meeting is to consider ways of increasing the efficiency of service to the shipper.

TWENTY YEARS AGO

(July 15, 1955)

Farmers of the Hamlin area have their fingers crossed as the crops come to the critical stages of fruiting and developing. With prospects of the best yields in five years hanging in the balance, farmers of the section are elated, concerned, dejected, hopeful and anxious about probable turn-outs of cotton, maize and other head grains.

Plans for a get-together and welcoming party for the three new Hamlin High School coaches on the evening of Friday, July 22, were announced this week by members of the executive committee of the Hamlin Booster Club, which will sponsor the affair. Watermelons will be the center of the first attraction, which will be staged at the City Park, beginning at 8 p.m. The three new coaches of Hamlin High School will be presented. They are Truman Nix, head football coach; Jim Harridge, line coach; and Harrell Blackburn, basketball coach. Also to be presented will be Harry Martin, elementary football coach, who was here last year.

Considerable progress has been made during the past few weeks by City of Hamlin employees in their fight against the hordes of mosquitoes that came into the region on the heels of the June rains, it is observed this week in a check up. City Health Officer M. L. Smith declared this week that dangers of disease from the mosquitoes still is present in the Hamlin area. He urged residents of the community to check their own premises where empty cans, bottles and other receptacles may contain water in which mosquitoes may breed.

Special singers from Sweetwater and Haskell and elsewhere are slated to be present at the Jones County North Side Singing Convention Sunday at the Dovie community church, five miles east of Hamlin. Gayle Baize is president of the convention, Benson Payne is vice president and Mrs. O. L. Chorn is secretary.

TEN YEARS AGO

(July 15, 1965)

The Pirates, coached by Jack Harugthy, finished the season undefeated in the Pee Wee League. Others in the Pee Wee League were the Owls, coached by James Brandon and the Eagles.

Mr. and Mrs. Henry Albritton were first place winners at the Tuesday night meeting of the Hamlin Duplicate Bridge Club. Jack Russell and Bill Wood of Merkel were second and Mrs. Garda Ragsdale and Mrs. Preston Morrow of Rotan were third.

Milburn Wink, local vocational agriculture teacher, will help conduct the Area II FFA Leadership Training School at the Prude Guest Ranch at Fort Davis on July 27-29. The training school is for officers of the Area II FFA Association and the seven district presidents of the Area. Danny Ivy, Area II Vice president from Paint Creek

and Larry King, Stamford District president from Anson, will travel to the school with Wink. While in Fort Davis, the boys and instructors will tour McDonald Observatory.

The Hamlin FFA Chapter has installed braces and marked off a volleyball court at the tennis courts at the high school. Chapter members hope to use the court for recreational purposes during the school year. It is also hoped that other school organizations will also enjoy the use of the out-door court.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

Federal Communications Commission. But that is less than half the number believed to be actually in operation; the rest are "wild" without an issued license.

Probably the lowering of the speed limit to 55 did more to promote the sale of these units than anything else. The gadgets are handy and have saved a lot of people time and money in their work and they also have been most valuable in emergencies. But the users of the CB's seem to be those trying to avoid radar traps.

If you have a CB and want to talk intelligently to the truck drivers, better learn these "Truckers' CB Terms:"

18-wheeler — Big rig with 18 wheels; four-wheeler — Car, van or pickup; Bear's den — Police station; Running barefoot — Illegal CB operation; Brown bottles — Beer; Flip-flop — Return trip; Front door — Lead truck; Back Door — Trailing truck; Rockin' chair — Position between front, back doors; Hammer — Accelerator; Hammer down — Full speed; Drop the hammer — Accelerate; Chicken coop — Weight station; Portable chicken coop — Portable scale; Foot warmer — Over-legally-powered CB; Smokey — State policeman; County mountie — County policeman; Local yokel, or local Smokey — Local city policeman; Picture taker — Smokey with radar; X-ray machine — Radar; Plain Wrapper — Unmarked police car;

Also Tijuana taxi — Marked police car; Green stamps — Money; All clean — No Smokies in sight; Grass — Median strip; Ears — CB radio; Handle — Code name; Uncle Charlie — FCC listening team; Seat covers — Interesting subject in a four-wheeler; \$50 lane — Left lane on four-lane highway; Monfort lane — left lane of divided highway; Negatory — Negative; Shake the trees and rake the leaves — Lead truck watch ahead, rear truck watch behind; Mercy — Shucks! Wow! and other expletives; Threes and other good numbers — Signing off, have a safe trip; 10-4 — Message received; Big 10-4 — Did you say a mouthful!; Flip — U-turn, or return trip; Hole in the wall — Tunnel; 10-20 or twenty — Location; On the side — Receiving and not transmitting; Bear in the air — Speed trap using aircraft — Spy in the sky and on the ground — Aircraft and pursuit cars; Keep the shiny side and the dirty side down — Don't wreck; and Loaded with Volkswagen radiators — Running empty.

Man's triumph over a *Menace* to Life . . .

Sharks have always been man's enemies in the sea. They are a danger to the shipwrecked, and occasionally threaten the lives of swimmers along our coastal waters. Sharks are only one of the many dangers that man faces every day. The world, today, is in a turmoil and we must be alert and on guard for the enemies' moves. Now is the time to trust in the Lord and to seek His help.

"Unto thee, O Lord, do I lift up my soul. O my God, I trust in thee; let me not be ashamed, let not mine enemies triumph over me."

Psalms 25, 1-2

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CAPITAL HIGHLIGHTS—

Voting Rights Act to Have Dramatic Impact On Texas

AUSTIN—Extension of the federal Voting Rights Act, expected to be approved soon by the U. S. Senate, will have dramatic impact on states, cities and counties, warns Texas Secretary of State Mark White Jr.

White is waging a kind of crusade to alert Texas officials and news media representatives what to expect and trying to rally last-ditch opposition.

The act, White emphasizes, would mean far more than federally-monitored voter registration and election procedures.

It would also require that every change in state voting laws, all legislative and local boundary line redistricting and even municipal annexations affecting voting precinct makeup would have to be approved by the U. S. attorney general.

White says Texas has done everything called for in the federal bill to protect voting rights—including passage of

a law requiring bilingual ballots and registration materials.

However, the state still would be brought under the act, due to a retroactive provision. That section applies the law to states where fewer than 50 per cent of voting-age adults were registered in 1972 or voted in the last presidential election.

White insists there is no substantial evidence of voting rights violations in Texas, and that applying punitive provisions of the act to the state is an injustice, "a fraud and an insult."

IMPEACHMENT LAUNCHED

The first impeachment action in 44 years was launched in the House—against 229th District Judge O. P. Carrillo of Duval County.

A select committee unanimously approved a resolution containing 11 articles of impeachment. The House will reconvene August 4 at 10 a. m. to consider the resolution. If it, or any similar version, is approved, the Senate will be called into session within about a month to sit in trial of Carrillo.

The judge's Austin attorney, Arthur Mitchell, said he was notified, meanwhile, the Texas Judicial Qualifications Commission, has filed a complaint against Carrillo.

Mitchell said legal action will be taken in an effort to prevent ouster even if impeachment is voted.

AG OPINIONS

Atty. Gen John Hill held gas producer sales to pipelines should be counted as Texas transactions in

Neinda Philosopher Takes A Look At the Low State Lying Has Fallen Into

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One examines truth and its absence in his letter this week.

Dear editor:

For some time now I've been studying the part of the lie in national and world affairs and the way it looks to me lying has just about been ruined.

It used to be that one of the worst things you could call a man was a liar, but nowadays let one politician call another a liar and people just shrug: so what, they're probably both right.

You read a headline: Editor Harold Smith Denies CIA Role, and people's reaction is, You know he's guilty.

Admit something is true about what you're accused of and people will say "Yeah, he's just admitting that to cover up something he's done that's worse."

Nothing seems to work any more. Not even No Comment. Ask a politician a sharp question and if he says "No comment," people say, "Ah-hah, he's guilty as sin." If he says, "I neither deny or confirm it," people say he's just confirmed it.

It has got to the point where

if somebody accuses you of something, the best thing to do is get out of sight. If you hang around to deny it, you're a goner. No use issuing a statement through your campaign manager. He's already under indictment for accepting illegal contributions to your last campaign.

Understand, this isn't just a national condition. Lying has become such a habit among the world leaders that a nation caught telling the truth will be accused of just trying to befuddle the others. "What're they up to this time?" the others will say. "Something's going on there

we don't understand. Better have our undercover people look into it."

In other words, lying as an instrument of personal, national and international policy has been ruined. It's like sleeping pills. The more you take the more you need, till finally nothing works.

You think I'm telling the truth? No comment.

ENERGY CONSERVATION?

LET GEORGE DO IT

When it's 101 in the shade, and no shade, energy conservation runs a poor second to air conditioning. But the prudent use of all energy, oil, gas, coal and electricity is everybody's responsibility.

Midwest Electric Cooperative suggests that if you use what you need but need what you use, there will be enough power for both you and George.

REDDY'S HELPFUL FREEZER TIPS

- Defrost promptly—frost build-up of more than 1/4" makes cooling units work harder—they use more energy and wear out faster.
- Prepare food for refrigeration by letting hot dishes partially cool before refrigeration or freezing.
- Keep it full—but without overcrowding. A half-empty freezer uses more energy, because air is harder to keep cold than chilled foods and liquids.
- Check gaskets to help prevent energy-wasting air leaks. Close door on a heavy piece of paper. If it pulls out easily, gaskets may be worn.

Remember
Reddy
Supplies the energy—
but only YOU can
use it wisely!

Funeral Services Set Friday for

Mrs. Sylvia Hunter

Mrs. Sylvia D. Hunter, 57, died at 7:13 p.m. Monday at Stamford Memorial Hospital. Services will be held at 2 p.m. Friday in the West Side Church of Christ with the minister, Richard Davis of Abilene, officiating. Burial will be in Hamlin East Cemetery directed by the McCoy Funeral Home.

Mrs. Hunter, daughter of Mr. and Mrs. Lem Sheffield, was born Sept. 10, 1917, in Robertson County. She

married Jim Hunter in Hamlin June 16, 1935, and he preceded her in death Jan. 8, 1974.

Survivors include her parents, Mr. and Mrs. Lem Sheffield of Hamlin; three sons, W. W. Hunter, John Thomas Hunter and Willie Hunter, all of Hamlin; three daughters, Mrs. James (Erma) Mayes, Mrs. William (Ruth) Brown and Mrs. Wilson (Minnie) Lee all of Hamlin; 46 grandchildren and one great-grandchild.

Pallbearers will be Bill Cork, Sammie Williams, Belton Hooper, W. J. Hooper Sr., W. J. Hooper Jr., Shelton Marshall, Henry Bussey, George Cooper and Jimmy Nichols.

Funeral Services Held Saturday for Mrs. Culbertson

Funeral for Mrs. Joe (Blanche) Culbertson, 77, was held at 4 p.m. Saturday at the First United Methodist church with the Rev. Jim Smith, pastor, officiating. Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

She died at 6 a.m. Thursday at her home, 48 N. Central, after an apparent heart attack. Justice of the Peace John Barnett ruled on her death.

Born Aug. 5, 1897, at Bailey

in Fannin County, she was the daughter of the late Mr. and Mrs. W. T. Via. She married Joe Lee Culbertson at Hamlin Dec. 31, 1922. He preceded her in death July 3, 1968.

She was a member of the First United Methodist Church.

Survivors include two daughters, Mrs. Z. Edgar (Joan) Boaz of Anson, Mrs. James E. (Dora) Joyce Frisby of Denton; two brothers, E. P. (Pete) Via of San Bernardino, Calif., H. R. (Punch) Via of Baytown; one sister, Judy Via of Abilene; four grandchildren, Sara and Joe Edd Boaz, both of Anson and Jack and Jim Frisby, both of Denton.

Pallbearers were Holly Toller, Arlie Cassle, Benson Payne, R. L. Goodgame Jr., O. D. Roland and John R. Brown Jr.

McCaulley Services Held Wednesday for Martin H. Decker

Funeral for Martin H. Decker, 70, was held at 2 p.m. Wednesday at the McCaulley Baptist Church with the Rev. L. R. Stuckey, retired Baptist pastor of Abilene, officiating. Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

He died at 12:50 p.m. at the Hamlin Memorial Hospital. Born May 23, 1905, in Comanche County, he was the son of the late Mr. and Mrs. Ruben Decker. He married Bessie George in Fisher County Nov. 18, 1923. He was a retired farmer.

Survivors include his wife, Bessie of Hamlin; three sons, Kenneth of Austin, George of Athens and Julius of McCaulley; one daughter, Jane Spivey of Longview; four brothers, Joe of Comanche, Winfred of Arlington, Otis of Lovington, N. M., and Lee of Rotan; two sisters, Mrs. Lola Donham of Hamlin and Mrs. Francis Boyle of Hutchinson, Kan.; 17 grandchildren and one great-grandchild.

Pallbearers were Willard Maberry, Ray Maberry, Dwaine Stephens, Virgil Steel, T. E. Green and Dalton Cleveland.

Funeral Services Held Saturday for Mrs. Hemphill, 83

Mrs. Rachel Hemphill, 83, died at 1:05 p.m. Thursday at Hamlin Memorial Hospital after a lengthy illness. Services were held Saturday at 10 a.m. in the Church of Christ with the minister, David Giddings, officiating. Burial was in the McCaulley Cemetery directed by McCoy Funeral Home.

Mrs. Hemphill, daughter of the late Mr. and Mrs. G. T. Davis, was born Jan. 5, 1892, in McGregor. She married Thomas Nugent Hemphill in Hamlin Jan. 24, 1915, and he preceded her in death in 1956. She lived in Lubbock 19 years before moving back here in 1973.

She was a member of the Church of Christ.

Survivors include three sons, Fred of Arlington, Wayne of Duncannon and Glen of Colorado City; one daughter, Daphne Mitchell of Arlington; and five sisters, Mrs. Oliver (Leone) Robbins of San Antonio, Mrs. J. W. (Eula Mae) Perkins of Plainview, Mrs. Aulton (Mattie Ruth) Patrick of Gentry, Ark., Mrs. W. D. (Lottie) Bristow of Hamlin and Mrs. L. B. (Faye) Thomas of Plano; 11 grandchildren, nine great-grandchildren and two great-great-grandchildren.

Pallbearers were Floyd Smith, Lewis Johnson, Leonard Johnson, Willard Maberry and Ray Maberry.

David Sharp Earns Degree From UT

David Sharp, son of Mr. and Mrs. Warren Sharp, has earned a Bachelor of Business Administration degree in management from the University of Texas at Austin.

He was a member of Pi Kappa Alpha fraternity and while attending UT was employed by Capital National Bank as evening supervisor of transit operations.

He will report to Houston Aug. 4 where he has been employed by Stewart and Stevenson, distributors of diesel engines.

Maj. Charles Clark Heads Reserve Unit

Maj. Charles Clark, a longtime Abilene National Guardsman and Army Reservist, has been appointed executive officer of the 490th Civil Affairs Co., U. S. Army Reserve in Abilene. He replaces Maj. Taylor Carrigan of Sweetwater, who was selected for active duty to aid in the resettlement of Vietnamese refugees at Fort Chaffee, Ark.

He is married to the former Laverne Higdon, daughter of Mrs. Hazel Higdon of Hamlin and the late Mr. R. W. Higdon. They have one daughter, Kimberley, 8.

In civilian life, he is office supervisor in the accounting department of the Texas Highway Department in Abilene.

Mr. and Mrs. Thomas Shell of Austin spent several days last week visiting his sister and her husband Mr. and Mrs. Joe Simpson.

LETTER TO EDITOR

Neinda Cemetery Work Completed

Dear Editor:

The trustees wish to announce that the Neinda Cemetery has finished the second working this year. Alleys and lots being mowed and all graves hoed and mounds have a fresh look.

We want to thank everyone that has been a part in making this work possible and would be proud for anyone, whether you have friends, relatives or not to drive out to see the Cemetery while it looks so nice.

Respectfully,
Sam Hodges
Irby Weaver
R. P. Williams
Jno. R. Brown, treas.

ALTON MAYFIELD

Three ways to travel by Long Distance:

Emmett Kelly Jr.
for Southwestern Bell

Cheap

Call One-Plus

One-Plus is always the cheapest way to call Long Distance. For example, a coast-to-coast call during business hours (8 a.m. to 5 p.m., Monday through Friday) is only 56¢ for the first minute. Out-of-state calls spanning shorter distances cost even less.

Cheaper

Save 35 percent evenings

You save 35 percent over the day rate when you call out of state the One-Plus way evenings (5 p.m. to 11 p.m., Sunday through Friday). For example, a coast-to-coast call costs only 36¢ for the first minute.

Remember, additional minutes are always less than the first on out-of-state calls. Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

Cheapest

Save 60 percent nights and weekends

Our lowest rate. Save 60 percent over the day rate when you call out of state the One-Plus way on weekends (all Saturday and Sunday until 5 p.m.) and nights (11 p.m. to 8 a.m. daily). For example, a coast-to-coast call costs only 22¢ for the first minute.

Want to know more ways to save on out-of-state Long Distance calls? Return this coupon and we'll send you a free calling guide.

Travel by Long Distance... and stay awhile.

For rates to Alaska and Hawaii, call the operator. One-Plus rates don't apply to person, coin, hotel-guest, credit card or collect calls, or calls charged to another number.

Santa Fe

Wheat Report-1975

New Harvest: During recent weeks the harvest of more than 680 million bushels has been underway in the five major wheat states served by Santa Fe. That's almost half of all the winter wheat grown in this country.

Car Supply: Santa Fe's part of the harvest job will be about 29,000 carloads. Our fleet of jumbo hoppers along with regular hoppers and box cars are now rolling throughout the harvest areas handling this big load.

Santa Fe Operations: The millions invested each year to improve Santa Fe's facilities, cars and locomotive fleet, makes it possible for us to get the job done in the most efficient way. We are ready to do even more than our share in wheat-growing states along the Santa Fe where problems may arise from inadequate transportation services.

Under normal conditions the railroads plan their operations to move with the harvest as it advances across the wheat belt.

This year, old man weather has upset the timetable. Rain has delayed the new crop about two weeks, and the wheat became ripe and ready in all growing areas of the Midwest, at the same time!

Santa Fe has a long and proud record of moving wheat. We do our best to prepare for each year's harvest. For example, we have almost 13,000 jumbo hoppers in service, including 1,000 brand new ones just received from the builders. That's the largest fleet in the nation.

1975 will be a near-record wheat harvest year along the Santa Fe; and, although the weather has created problems, we are doing our best to move each bushel. We are about to complete the harvest movement, and we appreciate the cooperation of growers, shippers, elevator operators and government inspectors which has helped Santa Fe handle another big wheat job.

The Atchison, Topeka and Santa Fe Railway

A Santa Fe Industries Company

Rail cost is only a thin slice of the price you pay for bread. It averages about—

1/2¢ a loaf

Moving wheat for making bread is an example of how a modern railroad handles volumes of foodstuff at low costs.

This is one way Santa Fe works to hold down the price of food where it counts the most for family shoppers, at the checkout counter.

ALL-STARS TO PLAY JULY 30—The Hamlin Junior Teenage League All-Stars will play their first game of the play-offs in Sweetwater at 5 p.m. Wednesday, July 30. The tournament will be July 30-Aug. 2 in Sweetwater. Teams will be from Sweetwater, Colorado City, Snyder, Hamlin, Haskell and Jayton. The Hamlin team, coached by Andy Brown and Ed Wheat, are from left, front row, Bo Irvine, Mike Hymer, Lester Stephens, Drew Tomlinson and Eddie Ribera; standing, Lynn Davis, Vance Lakey, Wayland Collins, Benny Guterrez, Lester Stewart, Jackie Cork, Mario Quintinella, Wayne Wheat and Gilbert Guerra.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

A big congratulations is in order to members of the Hamlin FFA Chapter and their advisors Milburn Wink and Gary Finley for the honors they received at the state convention in Houston.

The chapter received the Governor's Citation and also received a special award and a check for \$500 from the Electric Cooperatives of Texas for their work at the Hamlin Child Day Care Center.

The local chapter has been one of the mainstays in developing the Day Care Center and has devoted a great deal of time and talent to this project since it was first started.

Congratulations are also in order to the Hamlin Independent School District Trustees and administration for being able to hold the local tax rate at the same level as last year in spite of the blow dealt to the district by this last session of the Legislature.

The Legislature made its typical last minute mess of the school finance bill and this coupled with the Governor's "no-tax increase" pledge put most of the schools in the state in a bigger mess than they were before.

Because of the teacher pay raises and other big spending provisions of the new law, it will cost the local school districts more money to operate this coming year but the state did not increase their share of the needed funds. The Governor and the Legislature were successful in avoiding an increase in state taxes but most of the school districts were not so lucky. The burden is likely to get worse in the years ahead.

The biggest need in any school finance measure by the state is a fair method of determining each district's fair share. The Legislature talked about this a lot but did not do anything to solve the problem. You still hear a lot of talk about fair market value and supposedly the state funds are being disbursed on this basis but no one seems to know how each district's values were determined except possibly by guess.

One of the hottest pieces of merchandise on the market today is the Citizen's Band Radio, or "two way" in trucker's lingo. This small gadget has swiftly become the most popular accessory in the trucking industry.

To date, more than a million CB licenses have been granted by the

County Cotton Queen Contest Committee Seeks Contestants

Mrs. John D. Ferguson Jr. has been named by the Jones County Fair Association to serve on the Cotton Queen Contest committee for 1975. It is her third year to serve in this capacity.

The Jones County Fair will be held in Anson City Park Aug. 14, 15 and 16, with the judging of the Cotton Queen Contest taking place at 8 p.m. Aug. 15.

Invitations to enter a candidate, along with an entry blank explaining contest rules, have been sent to all local organizations who have an interest in cotton. Any organization or group who would like to sponsor a young lady and who did not receive an entry blank may call Mrs. Ferguson and she will be glad to supply one. Mrs. Ferguson said that there are more organizations willing to sponsor someone than there are contestants and if any girl would like to enter and does not have a sponsor, she can easily find one for her.

The contest is open to all girls who will be in their

junior or senior year or who are recent high school graduates. The girls attend an informal party early in the week and a luncheon is given in their honor on the day of the parade. They will ride in the parade Thursday, Aug. 14 and usually appear on one or two TV interview shows from Abilene.

During the judging on Friday night they will wear a cotton sports outfit (not a bathing suit) and later change into a cotton evening dress. At this time they are asked a question about cotton.

All questions are taken from a booklet that they have been previously given to study concerning facts about

cotton. The girls are judged on poise, the intelligence of their answers and how they look in the outfits they have chosen.

Melissa Madden is the reigning Jones County Cotton Queen. The 1974 winner, she will take part in all this year's activities and will be particularly helpful in answering any questions that this year's contestants may have.

Mrs. Lynn Gillespie of Stamford is chairman and Mrs. Herman A. Propst of Anson is also a member of the committee.

Midwest Electric Sets Annual Meet

Midwest Electric Cooperative will host its annual meeting in the Snyder County Coliseum July 31.

Registration will begin at 6 p.m. and the barbecue will begin at 7 p.m. Thursday.

State Representative Mike Ezell of Snyder will be the guest speaker.

There will be prize drawings and entertainment will be provided by the McMillian Trio.

All-Stars, Dads To Play Saturday

The Hamlin Junior League All Stars will play their fathers Saturday night at 7:30 at the City Ball Park.

Admission will be 25 cents for students and 50 cents for adults.

Benefits will go to pay the light bill.

Revival Services

A revival at the Sylvester Community Tabernacle will be led by Dwain Hobbs of Cleburne, non-denominational pastor-evangelist.

Services will start Monday, July 28, at 8 o'clock nightly.

The tabernacle in Sylvester is located one block south and one block west of caution light.

Edwin Wheat Inducted Into Order of Arrow

Edwin Wheat, son of Mr. and Mrs. Ed Wheat, was recently inducted into the Order of the Arrow, a national Honor Camper's Society among Boy Scout Campers.

He was nominated by his fellow scouts in May of this year for the honor. Edwin was tapped out as a candidate during the week's stay at Camp Tonkawa near Buffalo Gap.

To receive this honor, he passed his Ordeal and was inducted as an Ordeal member into the Order of the Arrow. Edwin is the first Scout to obtain this honor from Hamlin since 1969.

Girls LL All-Stars Play Ballinger Here

The Hamlin All-Stars Little League Softball team will meet Ballinger here Friday evening at 7:30 at the Hamlin Little League ball park.

The concession booth will be open. Sandwiches, drinks and candy will be sold.

THE HAMLIN HERALD

HAMLIN, JONES COUNTY, TEXAS, 79520, THURSDAY, JULY 24, 1975

VOL. 70, NO. 39

PRICE 14¢

ABILENE FIRM IS LOW BIDDER—

Council Awards Seal Coat Contract; Names Commission

The Hamlin City Council awarded a contract to an Abilene firm for seal coating approximately 18 blocks of city streets this summer and named three to serve on a Building Standards Commission.

Bontke Brothers Construction Company of Abilene submitted the low bid of 41.7 cents per square yard for the seal coating work. The only other bid received by the city was from J. H. Strain of Tye with a quotation of 59 cents per square yard. The total

project is expected to cost the city about \$10,000.

Melvin Scott, Delton Jackson and L. J. Lee were named by the council to serve on the newly created Building Standards Commission for two year terms or until their successors or named.

Under terms of the ordinance passed recently by the council, the Commission will serve as a hearing board for the purpose of condemnation of dangerous buildings or structures within the city under terms of the ordinance. Serving with the three members as ex officio non-voting members will be the city fire marshal, the city building inspector and the city health officer.

The ex officio members of the commission will inspect all buildings or structures reported to be or believed to be dangerous and to present a report of such inspection to the Commission.

After receiving a report from this inspection the Commission will notify the proper party of the intention of the commission to hold a hearing within 10 days following the citation.

If the Commission finds the property to be dangerous it will issue orders for the building or structure to be repaired or torn down. The property owner has the right to appeal the decision of the

Commission to the City Council.

If the property owner fails to abide by the decision of the Commission in repairing or tearing down of the structure, the city will demolish the building and attach a lien to the property. Failure to comply with the Commission's decision on the demolition or repair of the structure can subject the property owner to a fine up to \$200.

The council also approved a two-year grassland lease on the city airport with Mac Reid. Reid will pay the city a lease of \$150 and agrees to keep the grass mowed around the airport property and maintain the runway lights.

RIVER MISSION PROJECT—

Mexican Boy Gets New Leg Through Efforts of Former Pastor

A River Mission project by some 56 members of the Lamesa Baptist Association has led to a new life—and a new leg, for an 11-year-old Mexican boy, through the interest of Rev. and Mrs. Buster Grigg, formerly of Hamlin.

The beginning of the "project" came about when Luis Perez, from a family of nine brothers and sisters, attended a church service by the River Mission group at Esperanza and sat down next to Rev. Grigg and his wife, now of the Crestview Baptist Church of Lamesa.

Luis, who had lost his leg when run over by a train a year ago near Esperanza, across the river from Ft. Hancock, lived close by the building and he was among hundreds of children who attended the service.

When he sat down at worship services and grinned up into their faces, the Griggs fell in love with the youngster. The Griggs were instrumental in getting the

project started sponsored by Crestview Baptist Church. Through its sponsorship, the boy will get a leg and the church will take on the obligation of having the leg changed and properly fitted until maturity.

The Rev. Grigg returned to Esperanza to get Luis and bring him to Lamesa. He was accompanied by the Rev. Basilio Esquivel of Big Spring who served as an interpreter. He is being fitted for an artificial limb by the Lubbock Artificial Limb Co. and Dr. Wolcott of the Texas Tech School of Medicine will be treating him in therapy.

The Griggs have a medical pass to keep young Luis until Nov. 15. He is residing with the Griggs, their two children, Theron, 11, and Cindy, 14, and a 14-year-old Mexican-American boy from Tulia who will serve as an interpreter and helper. The Tulia youth, Julian Vigil Jr.,

is the son of the Mexican Baptist Church pastor of Tulia, who is with the River Mission group on the River Mission effort in Esperanza.

Luis has no father at home to help support the family. He, reportedly, deserted some time ago. An older brother provides the means of support for the family.

A fund has been started by members of the Crestview church to defray expenses. The fund will be a sustaining one and will provide the necessary funds for the purpose of getting Luis' leg changed as he grows older.

Date Announced For Annual HHS Homecoming

The Hamlin Ex-Students Association officers met Monday afternoon at the Sweetwater Savings and Loan Building.

C. L. White, president, presided. He announced that the date for the Homecoming football game has been set for Nov. 7. It will be the Stamford-Hamlin game. The parade, business meeting, program and lunch will follow on Saturday, Nov. 8.

The ex-student officers will meet again Aug. 4 at 5:30 at the Sweetwater Savings Building to make further Homecoming plans. Officers are asked to bring suggestions for a Bicentennial theme for this year's homecoming.

Officers present for the Monday meeting were Buford Bigham, first vice president; Mrs. Parker Kelley, reporter; Mrs. Robert Fowler, Mrs. Bill Smith, Mrs. W. T. Johnson, Mrs. Winnie Day, Mrs. Cliff Reynolds Sr. and Laura Tucker, secretaries.

Football Players Need Physicals

Athletic Director David Bonds reminds all high school boys planning to come out for football this fall that they must have their physicals before the start of two-day workouts on Monday, Aug. 11.

The forms for the physicals may be picked up at the high school office. He said that no day will be set aside this year for group physicals and that each boy should contact his own family doctor for the physical.

Shoes and socks will be issued to each boy Wednesday, Aug. 6, and two-day workouts will start the following Monday morning.

Band School

Summer Band School for high school band students has been set Aug. 11 at 6 p.m. by Director Tim Jones.

The band students will assemble in the band hall. Marching will be practiced after rehearsals.

predictable disastrous consequences for the industry, as well as the whole economy of the state," Hunt said.

The survey also shows that the State of Texas received \$648,994 in production taxes from county wells, with \$637,018 coming from crude oil output and \$11,976 from natural gas production.

Oil and gas developers and producers spent an estimated

\$1.7 million drilling 70 wells in the county last year, with 62.2 percent of that figure lost in 52 dry holes. The total drilling yielded 18 oil wells. The exploratory effort in the county included the drilling of 41 wildcat wells seeking new oil and gas fields.

According to the Texas Employment Commission, 254 oil and gas industry employees worked in the county in 1974 and shared a payroll totalling \$2.1 million.

Oil, Gas Production In Jones County Shows Increase Over 1973

The production of crude oil and natural gas in 1974 continued to have a significant impact on the economy of Jones County, with the estimated value of the county's production, royalty payments, and state severance taxes reaching new highs.

Jones was one of 197 counties—an increase of four from 1973—which produced oil and gas valued in excess of

\$100,000 in a year which saw the total value of state production jump from just over \$6.7 billion to almost \$11.4 billion.

The county ranked 122nd in the state in the total value of petroleum produced—\$14 million—with \$13.8 million of that coming from the sale of 2 million barrels of crude oil; \$160,000 from the sale of 549,000 MCF of natural gas.

This study by the Texas Mid-Continent Oil & Gas

Association shows also that the county's petroleum production last year resulted in the payment of \$1.8 million to royalty owners.

"These figures, whether considered statewide or individually in almost 80 percent of Texas' 254 counties, emphasize the importance of a healthy petroleum industry in the nation's No. 1 energy state," said Sherman Hunt, a Dallas independent oil man who is

Couple Attend Son's Wedding In El Dorado

Mr. and Mrs. O. E. Brandon attended the wedding of their son Robert and Vicki Jo Clanton, daughter of Mr. and Mrs. Curt A. Clanton of El Dorado, Kan. The wedding was held on the evening of July 14 in the First Methodist Church of El Dorado.

Also attending the wedding were Mike Brandon of Abilene, who served as best man for his brother; and the bridegroom's sister and family, Mr. and Mrs. Sam Thomas and son Brandon of Abilene.

The couple will live in Stinnett, where he will coach and teach in the school system there.

Beta Theta Host Social

Beta Theta Chapter of Beta Sigma Phi hosted a summer social for members and their families Friday evening at City Park.

The group went swimming at the Hamlin Foundation Pool before the picnic supper was spread.

WASTE PAPER can be recycled for money for the Day Care Center. Save your waste paper and take it to BCD trailer on Southeast Avenue A or call 576-3501 or 576-3566 for Wednesday pickup.

NOTICE

EFFECTIVE AT ONCE

NO REPAIR WORK WILL BE ACCEPTED UNTIL FURTHER NOTICE. EXCEPTION: EMERGENCY EYE GLASS REPAIRS

REASON

Due to very heavy day to day minor repairs, some major repairs have been waiting as long as six months. This is unfair to those customers and unacceptable to us. Therefore, we will accept no more repair work until some of this backlog is taken care of. We anticipate that about 30 days will see our repair department in much better shape, provided we adhere strictly to this temporary expediency. Trusting you to understand our firm "NO." Thank You.

GENE AND JOYCE KNABEL

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Four inches of rain received Saturday night and Sunday surely will put farmers to work with the plow. Many were hoeing the big weeds that escaped the weed killer.

Graveside services were held at McCaulley Cemetery last Wednesday for Ruth Hunter. When I came to McCaulley better than a quarter of a century ago the Hunters had one of the finest orchards in the community and Ruth was always there with a smile to assist the gathering of apples. Those who were not fortunate enough to know her will not share in the "apples of gold" she distributed to society.

Mrs. Beatrice Potter has moved a new trailer house in front of the old Hemphill home where she formerly lived.

Mr. and Mrs. Pratt Cox have returned from a vacation trip to various states to the west, New Mexico, Nevada and Washington. They report a wonderful time.

Mr. and Mrs. Larry Smart of Ranger spent the weekend with Mr. and Mrs. James Smart and Mr. and Mrs. Rickey Jeffrey.

Mr. and Mrs. Jackie Jeffrey are remodeling the house on a farm they recently purchased—the McFratter

Estate—about a mile south of McCaulley.

Max Kemp left for Valdosta, Ga. to visit Mr. and Mrs. Jim Kincaid and Jennifer.

Ronald, Truman and Sammy Holcomb stopped by for a visit with me yesterday. They had been attending the Holcomb reunion at Roby. Sammy now lives in Waco, Ronald in Midland and Truman somewhere in California near Pasadena. I get great pleasure from these visits from former students who attended my classes.

Just received word that Martin Decker had slipped quietly away into eternity. Mr. Decker is another one of the great ones who had touched many lives in this community.

School Supply Lists Given For Lower Grades

Principal Larry Butler has released the list of supplies that will be needed by students in kindergarten through fifth grade when school opens Aug. 18.

No supplies will be needed by pre-kindergarten pupils, he said.

Others will need supplies as follows:

KINDERGARTEN: 1 box primary colors (Crayolas); 1 bottle Elmer's Glue 1 1/4 oz.; 1 Nifty Manuscript tablet No. 2; 1 cigar or school box; 1 primary pencil; 1 box Kleenex - 150 count; 1 scissors, blunt; \$3.50 supply and party money; 1 towel with child's name on it.

FIRST GRADE: 1 pencil, big, first grade size; Crayons, regular size - 8 primary colors; Glue, LePages - flip-top (invisible); Scissors, sharp pointed; Construction paper, tablet type; 1 cigar or school box; 1 pencil tablet, Big Chief; 1 box Kleenex - 150 count; \$3.50 supply and party money; (book satchels are not necessary).

SECOND GRADE: Construction paper; 2 - No. 2 pencils; 1 school or cigar box; 1 Big Chief tablet; 1 box

Henson Family Reunion Held At Brownwood

The family of the late Mr. and Mrs. W. L. Henson, who formerly lived in the Sylvester Community, met for their annual reunion at Lake Brownwood over the weekend.

Relatives came from all points of Texas. Included were those from Houston, Reagan, Tyler, Llano, DeLeon, Abilene, Sylvester, Big Spring, Odessa, Georgetown, Slaton, Brownwood and San Antonio.

Bridge Winners

First place winners in Tuesday evening competition of the Hamlin Duplicate Bridge Club were Gordon Craig and Bobby Graham, both of Abilene.

Mrs. G. W. Comegys and Mrs. Preston Morrow of Rotan took second place; and third place went to Mr. and Mrs. Barry Moore.

FAMILY LIFE EDUCATION—

Bedwetting Termed 'Not So Serious' Problem

Bedwetting usually isn't as serious as some parents think, Neco Wilburn, County Extension Agent contends.

The agent termed bedwetting "simply inconvenient—unless the family puts undue pressure on the child by making him view it as a problem."

"Actually, it's just one part of toilet training and a natural step in a child's development."

"However, it requires more parental help than other developmental processes—and lots of patience and understanding from the entire family."

Most parents just expect too much too soon, Mrs. Wilburn said.

"They forget that children aren't little adults. Parents should expect only what children can accomplish."

In general, daytime bladder control comes first—followed by control at night. For most children, this happens by age three, she noted.

"We view bedwetting as a slight problem if a child doesn't accomplish this training by age three. Even so, most children outgrow bedwetting by school age."

Physicians can diagnose and treat organically caused bedwetting. In such cases—although not very numerous—family understanding is a must, the agent continued.

"When there's no organic reason for bedwetting, a physician can suggest training methods which usually meet success. However, for these to succeed, parents must be willing to work with the child rather than nag at him."

"In addition, they can de-emphasize, or at least help the child cope with, any emotional factors accompanying bedwetting."

Giving credit when credit's

due is one of the best things parents can do, Mrs. Wilburn pointed out.

"A child likes to be praised as his efforts result in small triumphs."

"As with any other effort, this shows he's making progress and helps him continue toward eventual success."

She stressed the parental and family role in reassuring and supporting the child in his efforts.

"Of course, the opposite also can happen. Criticism or punishment can undo any accomplishments a child has made. Pressuring him for immediate or consistent dryness may only delay the process."

Young Adult Class Meets Monday Night

Ladies of the Young Adult Class of the First Baptist Church met Monday night at 7:30 in the home of Mrs. Robert Moore. Mrs. Ronnie Hill presided. Mrs. Moore gave the devotional and prayer.

The group planned a swimming party for Aug. 8.

Those attending were Mrs. Sammy Ferguson, Robert Moore, Davis Weaver, Bobby Stubblefield, Larry Butler, O. H. Weaver, Andy Brown, Pat Willoughby, Howard Jones, Ronnie Hill and Gary Fley.

Mr. and Mrs. Steven A. Carriker are parents of a boy, Jacob Stevenson, 7 lbs. 1 1/2 oz., born July 19 at 3:02 a.m.

Maternal grandparents are Mr. and Mrs. J. M. Patterson Jr. of Austin. Paternal grandparents are Mr. and Mrs. Max D. Carriker of Roby.

It's A Girl

Mr. and Mrs. David Drummond of Stinnett are parents of a girl, Kimberly Ann, 7 lbs. 13 oz., born July 1 in Borger Hospital. They are parents of another daughter, Sandi, age 2.

Maternal grandparents are Mr. and Mrs. Vernon Cox of Socorro, N.M.; paternal grandparents are Mr. and Mrs. G. W. Drummond of Hamlin.

Los Angeles	\$15.69
Detroit	\$14.72
New Orleans	\$14.49
LONE STAR GAS SYSTEM	\$14.41
Indianapolis	\$14.14

In fact, the average rate in cities on the Lone Star Gas Company system in Texas ranks among the lowest general service gas rates in the country for residential and commercial customers.

These rates are based on a recent comparison by Lone Star Gas. The rate you see listed for the Lone Star Gas system is based on the average of all general service rates in the 410 incorporated cities and towns we serve in Texas, and are based on 10-thousand cubic feet of natural gas used by residential customers on June 1, 1975.

Your town may have a general service rate above or below the average rate listed above. Rates differ in all the towns we serve, because each town has a unique gas distribution system and has different revenue requirements.

We know your gas bills have been rising steadily in the past year or two, and they'll continue to rise. The average price Lone Star has had to pay for gas supplies has risen more than 250 per cent during the past three years, and some of this increase has been passed on to our customers.

Lone Star has been consistently able to supply our customers with natural gas. Other parts of the country are having severe problems in obtaining adequate supplies of this premium fuel, and we're working hard to prevent those problems here in our area.

FROM THE FILES . . .

FIFTY YEARS AGO

(July 17, 1925)
Messrs. C. H. New and J. M. Bates, of Anson and Winters, are building a skating rink just east of the Hamlin Inn. It will be 40 x 90 feet and they hope to have this place of amusement running by Saturday, however the carpenters will have to make record time if they get the structure finished.

Parents desiring to have their children transferred from one school district to another must make this request known to the County Superintendent before Aug. 1. Anyone desiring to move to Hamlin before the beginning of the next school session should have his children transferred before Aug. 1. The State and County School money due each child should go to the district where the child attends school.

The Herald is requested to announce that there will be no Sunday School at the Baptist Church this Sunday, owing to the fact that the Lueders Encampment will be in progress and many will want to attend those meetings. There will be no Men's Bible Class at the Opera House this Sunday, either.

W. R. Lence, assistant to the president, J. J. Lane, general traffic manager and A. J. Cleary, superintendent of the Orient Railway, have completed a tour of the Texas division last week inspecting cotton handling facilities. An extensive study is being made of the cotton situation this year in an attempt to improve cotton handling methods. A meeting of the local agents on the Texas division has been called for Aug. 22, to consider cotton handling in all its phases. The object of the meeting is to consider ways of increasing the efficiency of service to the shipper.

TWENTY YEARS AGO

(July 15, 1955)
Farmers of the Hamlin area have their fingers crossed as the crops come to the critical stages of fruiting and developing. With prospects of the best yields in five years hanging in the balance, farmers of the section are elated, concerned, dejected, hopeful and anxious about probable turn-outs of cotton, maize and other head grains.

Plans for a get-together and welcoming party for the three new Hamlin High School coaches on the evening of Friday, July 22, were announced this week by members of the executive committee of the Hamlin Booster Club, which will sponsor the affair. Watermelons will be the center of the first attraction, which will be staged at the City Park, beginning at 8 p.m. The three new coaches of Hamlin High School will be presented. They are Truman Nix, head football coach; Jim Harridge, line coach; and Harrell Blackburn, basketball coach. Also to be presented will be Harry Martin, elementary football coach, who was here last year.

Considerable progress has been made during the past few weeks by City of Hamlin employees in their fight against the hordes of mosquitoes that came into the region on the heels of the June rains, it is observed this week in a check up. City Health Officer M. L. Smith declared this week that dangers of disease from the mosquitoes still is present in the Hamlin area. He urged residents of the community to check their own premises where empty cans, bottles and other receptacles may contain water in which mosquitoes may breed.

Special singers from Sweetwater and Haskell and elsewhere are slated to be present at the Jones County North Side Singing Convention Sunday at the Dovie community church, five miles east of Hamlin. Gayle Baize is president of the convention, Benson Payne is vice president and Mrs. O. L. Chorn is secretary.

TEN YEARS AGO

(July 15, 1965)
The Pirates, coached by Jack Harugthy, finished the season undefeated in the Pee Wee League. Others in the Pee Wee League were the Owls, coached by James Brandon and the Eagles.

Mr. and Mrs. Henry Albritton were first place winners at the Tuesday night meeting of the Hamlin Duplicate Bridge Club. Jack Russell and Bill Wood of Merkel were second and Mrs. Garda Ragsdale and Mrs. Preston Morrow of Rotan were third.

Milburn Wink, local vocational agriculture teacher, will help conduct the Area II FFA Leadership Training School at the Prude Guest Ranch at Fort Davis on July 27-29. The training school is for officers of the Area II FFA Association and the seven district presidents of the Area. Danny Ivy, Area II Vice president from Paint Creek

and Larry King, Stamford District president from Anson, will travel to the school with Wink. While in Fort Davis, the boys and instructors will tour McDonald Observatory.

The Hamlin FFA Chapter has installed braces and marked off a volleyball court at the tennis courts at the high school. Chapter members hope to use the court for recreational purposes during the school year. It is also hoped that other school organizations will also enjoy the use of the out-door court.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

Federal Communications Commission. But that is less than half the number believed to be actually in operation; the rest are "wild" without an issued license.

Probably the lowering of the speed limit to 55 did more to promote the sale of these units than anything else. The gadgets are handy and have saved a lot of people time and money in their work and they also have been most valuable in emergencies. But the users of the CB's seem to be those trying to avoid radar traps.

If you have a CB and want to talk intelligently to the truck drivers, better learn these "Truckers' CB Terms:"

18-wheeler — Big rig with 18 wheels; four-wheeler — Car, van or pickup; Bear's den — Police station; Running barefoot — Illegal CB operation; Brown bottles — Beer; Flip-flop — Return trip; Front door — Lead truck; Back Door — Trailing truck; Rockin' chair — Position between front, back doors; Hammer — Accelerator; Hammer down — Full speed; Drop the hammer — Accelerate; Chicken coop — Weigh station; Portable chicken coop — Portable scale; Foot warmer — Over-legally-powered CB; Smokey — State policeman; County mountie — County policeman; Local yokel, or local Smokey — Local city policeman; Picture taker — Smokey with radar; X-ray machine — Radar; Plain Wrapper — Unmarked police car;

Also Tijuana taxi — Marked police car; Green stamps — Money; All clean — No Smokies in sight; Grass — Median strip; Ears — CB radio; Handle — Code name; Uncle Charlie — FCC listening team; Seat covers — Interesting subject in a four-wheeler; \$50 lane — Left lane on four-lane highway; Monfort lane — left lane of divided highway; Negatory — Negative; Shake the trees and rake the leaves — Lead truck watch ahead, rear truck watch behind; Mercy — Shucks! Wow! and other expletives; Threes and other good numbers — Signing off, have a safe trip; 10-4 — Message received; Big 10-4 — Did you say a mouthful!; Flip — U-turn, or return trip; Hole in the wall — Tunnel; 10-20 or twenty — Location; On the side — Receiving and not transmitting; Bear in the air — Speed trap using aircraft — Spy in the sky and on the ground — Aircraft and pursuit cars; Keep the shiny side and the dirty side down — Don't wreck; and Loaded with Volkswagen radiators — Running empty.

Man's triumph over a Menace to Life . . .

Sharks have always been man's enemies in the sea. They are a danger to the shipwrecked, and occasionally threaten the lives of swimmers along our coastal waters. Sharks are only one of the many dangers that man faces every day. The world, today, is in a turmoil and we must be alert and on guard for the enemies' moves. Now is the time to trust in the Lord and to seek His help.

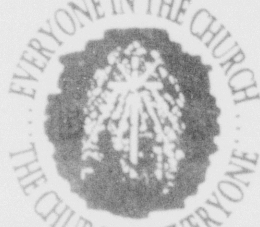

"Unto thee, O Lord, do I lift up my soul. O my God, I trust in thee; let me not be ashamed, let not mine enemies triumph over me."

Psalms 25, 1-2

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

CAPITAL HIGHLIGHTS—

Voting Rights Act to Have Dramatic Impact On Texas

AUSTIN—Extension of the federal Voting Rights Act, expected to be approved soon by the U. S. Senate, will have dramatic impact on states, cities and counties, warns Texas Secretary of State Mark White Jr.

White is waging a kind of crusade to alert Texas officials and news media representatives what to expect and trying to rally last-ditch opposition.

The act, White emphasizes, would mean far more than federally-monitored voter registration and election procedures.

It would also require that every change in state voting laws, all legislative and local boundary line redistricting and even municipal annexations affecting voting precinct makeup would have to be approved by the U. S. attorney general.

White says Texas has done everything called for in the federal bill to protect voting rights—including passage of

a law requiring bilingual ballots and registration materials.

However, the state still would be brought under the act, due to a retroactive provision. That section applies the law to states where fewer than 50 per cent of voting-age adults were registered in 1972 or voted in the last presidential election.

White insists there is no substantial evidence of voting rights violations in Texas, and that applying punitive provisions of the act to the state is an injustice, "a fraud and an insult."

IMPEACHMENT LAUNCHED

The first impeachment action in 44 years was launched in the House—against 229th District Judge O. P. Carrillo of Duval County.

A select committee unanimously approved a resolution containing 11 articles of impeachment. The House will reconvene August 4 at 10 a. m. to consider the resolution. If it, or any similar version, is approved, the Senate will be called into session within about a month to sit in trial of Carrillo.

The judge's Austin attorney, Arthur Mitchell, said he was notified, meanwhile, the Texas Judicial Qualifications Commission, has filed a complaint against Carrillo.

Mitchell said legal action will be taken in an effort to prevent ouster even if impeachment is voted.

AG OPINIONS

Atty. Gen John Hill held gas producer sales to pipelines should be counted as Texas transactions in

Neinda Philosopher Takes A Look At the Low State Lying Has Fallen Into

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One examines truth and its absence in his letter this week.

Dear editor:

For some time now I've been studying the part of the lie in national and world affairs and the way it looks to me lying has just about been ruined.

It used to be that one of the worst things you could call a man was a liar, but nowadays let one politician call another a liar and people just shrug: so what, they're probably both right.

You read a headline: Editor Harold Smith Denies CIA Role, and people's reaction is, You know he's guilty.

Admit something is true about what you're accused of and people will say "Yeah, he's just admitting that to cover up something he's done that's worse."

Nothing seems to work any more. Not even No Comment. Ask a politician a sharp question and if he says "No comment," people say, "Ah-hah, he's guilty as sin." If he says, "I neither deny or confirm it," people say he's just confirmed it.

It has got to the point where

if somebody accuses you of something, the best thing to do is get out of sight. If you hang around to deny it, you're a goner. No use issuing a statement through your campaign manager. He's already under indictment for accepting illegal contributions to your last campaign.

Understand, this isn't just a national condition. Lying has become such a habit among the world leaders that a nation caught telling the truth will be accused of just trying to befuddle the others. "What're they up to this time?" the others will say. "Something's going on there

THURSDAY, JULY 24, 1975, PAGE 5

we don't understand. Better have our undercover people look into it."

In other words, lying as an instrument of personal, national and international policy has been ruined. It's like sleeping pills. The more you take the more you need, till finally nothing works.

You think I'm telling the truth? No comment.

Court of Honor Held Monday

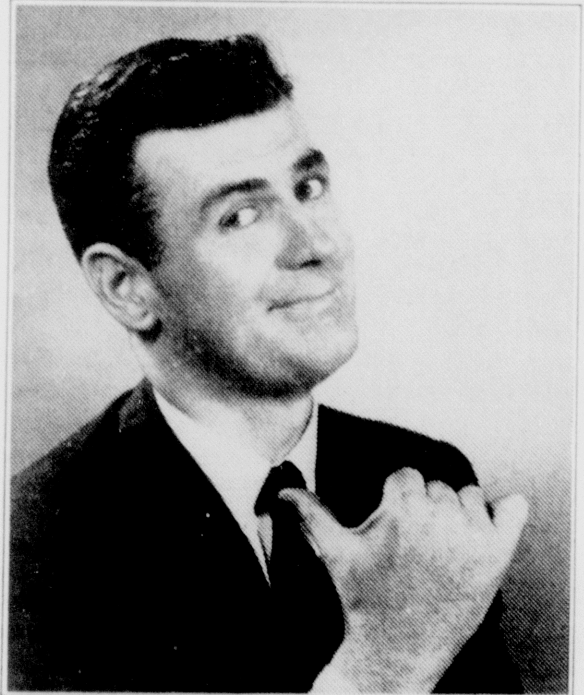

A Scout meeting was held Monday night at 7:00 in the Boy Scout Hut and two young men received honors.

Rickey Dockins, son of Mr. and Mrs. Virgil Dockins, received his Star Rank and Joe Smith, son of Mr. and Mrs. Muri D. Smith received his Tenderfoot Rank.

Ranks were presented at a Court of Honor.

Visitors in the home of Mr. and Mrs. C. C. Bailey July 3-14 were Mr. and Mrs. Mark M. Bailey of Lakeside, Calif.; Mr. and Mrs. Clay C. Bailey and family of Houston, Mr. and Mrs. William W. Fomby and family, Mrs. and Mrs. Ray A. Bailey and family and Mr. Tracy Watson, all of Odessa; Vince Bailey of Sherman, Mrs. Eunice Speights of Houston; Darren K. Butler of Austin, Mrs. Clytee Maltby and family of Aledo, Mrs. Rhonda Tate of San Antonio, Mrs. Effie Dee Cox of Lake Elsinore, Calif., and Mrs. Jewell Davidson of Bellflower, Calif.

ENERGY CONSERVATION?

LET GEORGE DO IT

When it's 101 in the shade, and no shade, energy conservation runs a poor second to air conditioning. But the prudent use of all energy, oil, gas, coal and electricity is everybody's responsibility.

Midwest Electric Cooperative suggests that if you use what you need but need what you use, there will be enough power for both you and George.

REDDY'S HELPFUL FREEZER TIPS

- Defrost promptly—frost build-up
of more than 1/4" makes cooling units
work harder—they use more energy
and wear out faster.
- Prepare food for refrigeration by
letting hot dishes partially cool
before refrigeration or freezing.
- Keep it full—but without
overcrowding. A half-empty freezer
uses more energy, because air is
harder to keep cold than chilled
foods and liquids.
- Check gaskets to help prevent
energy-wasting air leaks. Close
door on a heavy piece of paper.
If it pulls out easily, gaskets
may be worn.

**Funeral Services
Set Friday for**

Mrs. Sylvia Hunter

Mrs. Sylvia D. Hunter, 57, died at 7:13 p.m. Monday at Stamford Memorial Hospital. Services will be held at 2 p.m. Friday in the West Side Church of Christ with the minister, Richard Davis of Abilene, officiating. Burial will be in Hamlin East Cemetery directed by the McCoy Funeral Home.

Mrs. Hunter, daughter of Mr. and Mrs. Lem Sheffield, was born Sept. 10, 1917, in Robertson County. She

married Jim Hunter in Hamlin June 16, 1935, and he preceded her in death Jan. 8, 1974.

Survivors include her parents, Mr. and Mrs. Lem Sheffield of Hamlin; three sons, W. W. Hunter, John Thomas Hunter and Willie Hunter, all of Hamlin; three daughters, Mrs. James (Erma) Mayes, Mrs. William (Ruth) Brown and Mrs. Wilson (Minnie) Lee all of Hamlin; 46 grandchildren and one great-grandchild.

Pallbearers will be Bill Cork, Sammie Williams, Belton Hooper, W. J. Hooper Sr., W. J. Hooper Jr., Shelton Marshall, Henry Bussey, George Cooper and Jimmy Nichols.

**Funeral Services
Held Saturday for
Mrs. Culbertson**

Funeral for Mrs. Joe (Blanche) Culbertson, 77, was held at 4 p.m. Saturday at the First United Methodist church with the Rev. Jim Smith, pastor, officiating. Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

She died at 6 a.m. Thursday at her home, 48 N. Central, after an apparent heart attack. Justice of the Peace John Barnett ruled on her death.

Born Aug. 5, 1897, at Bailey

in Fannin County, she was the daughter of the late Mr. and Mrs. W. T. Via. She married Joe Lee Culbertson at Hamlin Dec. 31, 1922. He preceded her in death July 3, 1958.

She was a member of the First United Methodist Church.

Survivors include two daughters, Mrs. Z. Edgar (Joan) Boaz of Anson, Mrs. James E. (Dora Joyce) Frisby of Denton; two brothers, E. P. (Pete) Via of San Bernardino, Calif., H. R. (Punch) Via of Baytown; one sister, Judy Via of Abilene; four grandchildren, Sara and Joe Edd Boaz, both of Anson and Jack and Jim Frisby, both of Denton.

Pallbearers were Holly Toller, Arlie Cassle, Benson Payne, R. L. Goodgame Jr., O. D. Roland and John R. Brown Jr.

**McCaulley Services
Held Wednesday for
Martin H. Decker**

Funeral for Martin H. Decker, 70, was held at 2 p.m. Wednesday at the McCaulley Baptist Church with the Rev. L. R. Stuckey, retired Baptist pastor of Abilene, officiating. Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

He died at 12:50 p.m. at the Hamlin Memorial Hospital. Born May 23, 1905, in Comanche County, he was the son of the late Mr. and Mrs. Ruben Decker. He married Bessie George in Fisher County Nov. 18, 1923. He was a retired farmer.

Survivors include his wife, Bessie of Hamlin; three sons, Kenneth of Austin, George of Athens and Julius of McCaulley; one daughter, Jane Spivey of Longview; four brothers, Joe of Comanche, Winfred of Arlington, Otis of Lovington, N. M., and Lee of Rotan; two sisters, Mrs. Lola Donham of Hamlin and Mrs. Francis Boyle of Hutchinson, Kan.; 17 grandchildren and one great-grandchild.

Pallbearers were Willard Maberry, Ray Maberry, Dwaine Stephens, Virgil Steel, T. E. Green and Dalton Cleveland.

**Funeral Services
Held Saturday for
Mrs. Hemphill, 83**

Mrs. Rachel Hemphill, 83, died at 1:05 p.m. Thursday at Hamlin Memorial Hospital after a lengthy illness. Services were held Saturday at 10 a.m. in the Church of Christ with the minister, David Giddings, officiating. Burial was in the McCaulley Cemetery directed by McCoy Funeral Home.

Mrs. Hemphill, daughter of the late Mr. and Mrs. G. T. Davis, was born Jan. 5, 1892, in McGregor. She married Thomas Nugent Hemphill in Hamlin Jan. 24, 1915, and he preceded her in death in 1956.

She lived in Lubbock 19 years before moving back here in 1973.

She was a member of the Church of Christ.

Survivors include three sons, Fred of Arlington, Wayne of Duncanville and Glen of Colorado City; one daughter, Daphne Mitchell of Arlington; and five sisters, Mrs. Oliver (Leone) Robbins of San Antonio, Mrs. J. W. (Eula Mae) Perkins of Plainview, Mrs. Aulton (Mattie Ruth) Patrick of Gentry, Ark., Mrs. W. D. (Lottie) Bristow of Hamlin and Mrs. L. B. (Faye) Thomas of Plano; 11 grandchildren, nine great-grandchildren and two great-great-grandchildren.

Pallbearers were Floyd Smith, Lewis Johnson, Leonard Johnson, Willard Maberry and Ray Maberry.

**David Sharp Earns
Degree From UT**

David Sharp, son of Mr. and Mrs. Warren Sharp, has earned a Bachelor of Business Administration degree in management from the University of Texas at Austin.

He was a member of Pi Kappa Alpha fraternity and while attending UT was employed by Capital National Bank as evening supervisor of transit operations.

He will report to Houston Aug. 4 where he has been employed by Stewart and Stevenson, distributors of diesel engines.

**HOSPITAL
PATIENTS**

**Maj. Charles Clark
Heads Reserve Unit**

Maj. Charles Clark, a longtime Abilene National Guardsman and Army Reservist, has been appointed executive officer of the 490th Civil Affairs Co., U. S. Army Reserve in Abilene.

He replaces Maj. Taylor Carrigan of Sweetwater, who was selected for active duty to aid in the resettlement of Vietnamese refugees at Fort Chaffee, Ark.

He is married to the former Laverne Higdon, daughter of Mrs. Hazel Higdon of Hamlin and the late Mr. R. W. Higdon. They have one daughter, Kimberley, 8.

In civilian life, he is office supervisor in the accounting department of the Texas Highway Department in Abilene.

Mr. and Mrs. Thomas Shell of Austin spent several days last week visiting his sister and her husband Mr. and Mrs. Joe Simpson.

LETTER TO EDITOR

**Neinda Cemetery
Work Completed**

Dear Editor:

The trustees wish to announce that the Neinda Cemetery has finished the second working this year. Alleys and lots being mowed and all graves hoed and mounds have a fresh look.

We want to thank everyone that has been a part in making this work possible and would be proud for anyone, whether you have friends, relatives or not to drive out to see the Cemetery while it looks so nice.

Respectfully,
Sam Hodges
Irby Weaver
R. P. Williams
Jno. R. Brown, treas.

ALTON MAYFIELD

**Three ways
to travel by
Long Distance:**

Emmett Kelly Jr.
for Southwestern Bell

Cheap

Call One-Plus

One-Plus is always the cheapest way to call Long Distance. For example, a coast-to-coast call during business hours (8 a.m. to 5 p.m., Monday through Friday) is only 56¢ for the first minute. Out-of-state calls spanning shorter distances cost even less.

Cheaper

Save 35 percent evenings

You save 35 percent over the day rate when you call out of state the One-Plus way evenings (5 p.m. to 11 p.m., Sunday through Friday). For example, a coast-to-coast call costs only 36¢ for the first minute.

Remember, additional minutes are always less than the first on out-of-state calls. Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

Cheapest

Save 60 percent nights and weekends

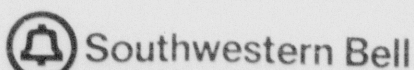

Our lowest rate. Save 60 percent over the day rate when you call out of state the One-Plus way on weekends (all Saturday and Sunday until 5 p.m.) and nights (11 p.m. to 8 a.m. daily). For example, a coast-to-coast call costs only 22¢ for the first minute.

Want to know more ways to save on out-of-state Long Distance calls? Return this coupon and we'll send you a free calling guide.

Southwestern Bell
P.O. Box 787
St. Louis, Missouri 63188

Name _____
Address _____
City _____ State _____ Zip _____

Travel by Long Distance... and stay awhile.

For rates to Alaska and Hawaii, call the operator. One-Plus rates don't apply to person, coin, hotel-guest, credit card or collect calls, or calls charged to another number.

Santa Fe

Wheat Report-1975

New Harvest:

During recent weeks the harvest of more than 680 million bushels has been underway in the five major wheat states served by Santa Fe. That's almost half of all the winter wheat grown in this country.

Car Supply:

Santa Fe's part of the harvest job will be about 29,000 carloads. Our fleet of jumbo hoppers along with regular hoppers and box cars are now rolling throughout the harvest areas handling this big load.

Santa Fe Operations:

The millions invested each year to improve Santa Fe's facilities, cars and locomotive fleet, makes it possible for us to get the job done in the most efficient way. We are ready to do even more than our share in wheat-growing states along the Santa Fe where problems may arise from inadequate transportation services.

Under normal conditions the railroads plan their operations to move with the harvest as it advances across the wheat belt.

This year, old man weather has upset the timetable.

Rain has delayed the new crop about two weeks, and the wheat became ripe and ready in all growing areas of the Midwest, at the same time!

Santa Fe has a long and proud record of moving wheat. We do our best to prepare for each year's harvest. For example, we have almost 13,000 jumbo hoppers in service, including 1,000 brand new ones just received from the builders. That's the largest fleet in the nation.

1975 will be a near-record wheat harvest year along the Santa Fe; and, although the weather has created problems, we are doing our best to move each bushel. We are about to complete the harvest movement, and we appreciate the cooperation of growers, shippers, elevator operators and government inspectors which has helped Santa Fe handle another big wheat job.

The Atchison, Topeka and Santa Fe Railway

A Santa Fe Industries Company

Rail cost is only a thin slice of the price you pay for bread. It averages about—

1/2¢ a loaf

Moving wheat for making bread is an example of how a modern railroad handles volumes of foodstuff at low costs.

This is one way Santa Fe works to hold down the price of food where it counts the most for family shoppers, at the checkout counter.
